CHORDS

[Verse 1]

G **C** **G**

The crops are all in and the peaches are rotting,

C **G**

The oranges are piled in their creosote dumps;

C **G**

They're flying 'em back to the Mexican border

C **G**

To pay all their money to wade back again

G **C** **G**

My father's own father, he waded that river,

C **G**

They took all the money he made in his life;

C **G**

My brothers and sisters come working the fruit trees,

C

And they rode on the trucks till they took down and

G

died.

[Chorus]

C **G**

Goodbye to my Juan, goodbye, Rosalita,

D

G

Adios mis amigos, Jesus y Maria;

C

G

You won't have your names when you ride the big
airplane,

All they will call you will be "deportees"

[Verse 2]

G

C

G

Now, some are illegal, and some are not wanted,

C

G

Our work contract's out and we have to move on;

C

G

Six hundred miles to that Mexican border,

C

They chase us like outlaws, like rustlers, like

G

thieves.

G

C

G

We died in your hills, we died in your deserts,

C

G

We died in your valleys and died on your plains.

C

G

We died 'neath your trees and we died in your bushes,

C

G

Both sides of the river, we died just the same.

[Chorus]

C G

Goodbye to my Juan, goodbye, Rosalita,

D G

Adios mis amigos, Jesus y Maria;

C G

You won't have your names when you ride the big airplane,

C G G

All they will call you will be "deportees"

[Verse 3]

G C G

The sky plane caught fire over Los Gatos Canyon,

C G

A fireball of lightning, it shook all our hills,

C G

Who are all these friends, all scattered like dry leaves?

C G G

The radio says, "They are just deportees"

G C G

Is this the best way we can grow our big orchards?

C G

Is this the best way we can grow our good fruit?

C G

To fall like dry leaves to rot on my topsoil

C G G

And be called by no name except "deportees"?

[Chorus]

C

G

Goodbye to my Juan, goodbye, Rosalita,

Adios mis amigos, Jesus y Maria;

[Intro]

D A D D

[Verse 1]

D G D

We are passing this world on to our kids

G D/F# Em

From the day when they climb from their cribs

A

We'll try and teach them well, show them that they're loved

G A

But in the end all we can do is hope our best was good enough

D D7

They'll witness how this life can be so beautiful and cruel

G E

We can't shelter them forever but if we show them all the tools

A A#dim7 Bm G

They might leave this world in a little better shape than me and you

D A D

We are only passing through

[Chorus]

Passing through (passing through), passing through

[Verse 2]

D G D

We are watching this world from our living rooms

G D/F# Em

Near forty years since we walked on the moon

A

This big blue ball is shrinking and I don't know if that's good

G A

But for better or for worse now this whole world is our neighborhood

D D7

And there is no place left to run to, to stay above the fray

G E

We better learn to get along not just to get our way

A A#dim7 Bm G

Not only for each other but our children's children too

D A D

We are only passing through

[Chorus]

Passing through (passing through), passing through

[Verse 3]

D G D

And I wonder sometimes what will I pass on

G D/F# Em

How much can one voice do with just a song

A

Sometimes injustice and indifference are all that I see

G

A

But I refuse to let my hope become the latest casualty

D

D7

So I'll sing of love and truth and try to practice what I preach

If I can't change the world, I'll change the world within my reach
