# Hard Times Come Again No More Chords by Misc Traditional/Stephen Foster

## CHORDS

Let us pause in life's pleasures, and count it's many tears,  
while we all sup, sorrow with the poor.  
There's a song that will linger forever in our ears,  
oh, hard times come again no more.

Chorus:

Tis the song, the sigh of the weary,  
hard times, hard times, come again no more.  
Many days you have lingered around my cabin door,  
oh, hard times come again no more.

While we seek mirth and beauty, and music light and gay,  
their frail forms fainting at the door.  
Though their voices are silent, their pleading looks will say,  
oh, hard times come again no more.

We are living 'neath the great Big Dipper			
	Em		G
We are washed by the very same rain			
	C		G
We are swimming in the stream together			
	Em		D/F#
Some in power and some in pain			
	G		D/F#
We can worship this ground we walk on			

Cherishing the beings that we live beside  
Loving spirits will live forever  
We're all swimming to the other side

I am alone and I am searching, hungering for answers in my time  
I am balanced at the brink of wisdom  
I'm impatient to receive a sign  
I move forward with my senses open  
Imperfection, it be my crime  
In humility, I will listen  
We're all swimming to the other side

We are living 'neath the great Big Dipper  
We are washed by the very same rain  
We are swimming in the stream together  
Some in power and some in pain  
We can worship this ground we walk on  
Cherishing the beings that we live beside  
Loving spirits will live forever  
We're all swimming to the other side

**G** **D/F#**  
On this journey through thoughts and feelings  
**Em** **G**  
Binding intuition, my head, my heart  
**C** **G** **Em** **D/F#**  
I am gathering the tools together. I'm preparing to do my part  
**G** **D/F#**  
All of those who have come before me

Band together and be my guide  
**C** **G**  
Loving lessons that I will follow,

## CHORDS

### [Verse 1]

**G** **C** **G**  
The crops are all in and the peaches are rotting,  
**C** **G**  
The oranges are piled in their creosote dumps;  
**C** **G**  
They're flying 'em back to the Mexican border  
**C** **G**  
To pay all their money to wade back again

**G** **C** **G**  
My father's own father, he waded that river,  
**C** **G**  
They took all the money he made in his life;  
**C** **G**  
My brothers and sisters come working the fruit trees,  
**C**  
And they rode on the trucks till they took down and  
**G**  
died.

### [Chorus]

**C** **G**  
Goodbye to my Juan, goodbye, Rosalita,

**D** **G**  
Adios mis amigos, Jesus y Maria;  
**C** **G**  
You won't have your names when you ride the big  
airplane,  
**C** **G** **G**  
All they will call you will be "deportees"

[Verse 2]

**G** **C** **G**  
Now, some are illegal, and some are not wanted,  
**C** **G**  
Our work contract's out and we have to move on;  
**C** **G**  
Six hundred miles to that Mexican border,  
**C**  
They chase us like outlaws, like rustlers, like  
**G**  
thieves.

**G** **C** **G**  
We died in your hills, we died in your deserts,  
**C** **G**  
We died in your valleys and died on your plains.  
**C** **G**  
We died 'neath your trees and we died in your bushes,  
**C** **G**  
Both sides of the river, we died just the same.

[Chorus]

**C** **G**  
 Goodbye to my Juan, goodbye, Rosalita,  
**D** **G**  
 Adios mis amigos, Jesus y Maria;  
**C** **G**  
 You won't have your names when you ride the big  
 airplane,  
**C** **G** **G**  
 All they will call you will be "deportees"

[Verse 3]

**G** **C** **G**  
 The sky plane caught fire over Los Gatos Canyon,  
**C** **G**  
 A fireball of lightning, it shook all our hills,  
**C** **G**  
 Who are all these friends, all scattered like dry  
 leaves?  
**C** **G** **G**  
 The radio says, "They are just deportees"  
  
**G** **C** **G**  
 Is this the best way we can grow our big orchards?  
**C** **G**  
 Is this the best way we can grow our good fruit?  
**C** **G**  
 To fall like dry leaves to rot on my topsoil  
**C** **G** **G**  
 And be called by no name except "deportees"?

[Chorus]

**C**

**G**

Goodbye to my Juan, goodbye, Rosalita,

Adios mis amigos, Jesus y Maria;

We are passing this world on to our kids

From the day when they climb from their cribs

We'll try and teach them well, show them that they're loved

But in the end all we can do is hope our best was good enough

They'll witness how this life can be so beautiful and cruel

We can't shelter them forever but if we show them all the tools

 Near forty years since we walked on the moon

# Hallelujah Chords by Leonard Cohen

## CHORDS

### [Verse 1]

**C** **Am**  
Now I've heard there was a secret chord  
**C** **Am**  
That David played, and it pleased the Lord  
**F** **G** **C** **G**  
But you don't really care for music, do you?  
**C** **F** **G**  
It goes like this the fourth, the fifth  
**Am** **F**  
The minor fall, the major lift  
**G** **E7** **Am**  
The baffled king composing Hallelujah  
**F** **Am** **F** **C** **G** **C** **G**  
Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah

### [Verse 2]

**C** **Am**  
Your faith was strong, but you needed proof  
**C** **Am**  
You saw her bathing on the roof  
**F** **G** **C** **G**  
Her beauty and the moonlight overthrew ya

**C**                      **F**                      **G**  
 She tied you to a kitchen chair  
**Am**                                      **F**  
 She broke your throne, and she cut your hair  
**G**                                      **E7**                      **Am**  
 And from your lips she drew the Hallelujah  
**F**                      **Am**                      **F**                      **C** **G** **C** **G**  
 Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah

[Verse 3]

**C**                                      **Am**  
 You say I took the name in vain  
**C**                                      **Am**  
 I don't even know the name  
**F**                                      **G**                                      **C**                      **G**  
 But if I did, well really, what's it to ya?  
**C**                                      **F**                      **G**  
 There's a blaze of light in every word  
**Am**                                      **F**  
 It doesn't matter which you heard  
**G**                                      **E7**                      **Am**  
 The holy or the broken Hallelujah  
**F**                                      **Am**                      **F**                      **C** **G** **C** **G**  
 Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah

[Verse 4]

**C**                                      **Am**  
 I did my best, it wasn't much

**C** **Am**  
I couldn't feel, so I tried to touch  
**F** **G** **C** **G**  
I've told the truth, I didn't come to fool ya  
**C** **F** **G**  
And even though it all went wrong  
**Am** **F**  
I'll stand before the Lord of Song  
**G** **E7** **Am**  
With nothing on my tongue but Hallelujah

[Outro]

**F** **Am** **F** **C** **G** **C**  
Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah

# Let the Circle Be Wide

By Tommy Sands with his daughter Moya and his son Fionán on their album *Let the Circle be Wide*.

## [Chorus]

**G** **D** **G**  
Let the circle be wide 'round the fireside  
**C** **Am** **G**  
And we'll soon make room for you  
**C** **Am** **G** **Em**  
Let your heart have no fear, there are no strangers here,  
**G** **D7** **G**  
Just friends that you never knew

## [Verse 1]

**G** **D** **C** **G**  
We will travel a-long on the wings of a song  
**C** **Em** **C**  
With a mind that is open and free  
**Am** **C** **G**  
If we close our eyes to the other side  
**C** **G** **D**  
We're just half of what we could be

## [Chorus]

**G** **D** **G**  
Let the circle be wide 'round the fireside  
**C** **Am** **G**  
And we'll soon make room for you  
**C** **Am** **G** **Em**  
Let your heart have no fear, there are no strangers here,  
**G** **D7** **G**  
Just friends that you never knew

## [Verse 2]

Shake the hand of the man from the far distant land  
Meet him and treat him well  
And the young girl so fair with the wind in her hair,  
She's got a story to tell

## [Chorus]

Let the circle be wide 'round the fireside  
And we'll soon make room for you  
Let your heart have no fear, there are no strangers here,  
Just friends that you never knew

## [Verse 3]

There are songs to be sung, there are rafters to be rung,  
There is reason to rosin your bow.  
There are stories of old and new ones to be told  
To carry a-way when you go.

## [Chorus]

Let the circle be wide 'round the fireside  
And we'll soon make room for you  
Let your heart have no fear, there are no strangers here,

**G** **D7** **G**  
Just friends that you never knew

**[Verse 4]**

**G** **D** **C**  
So we'll pass the bottle 'round and we'll drink another

**G**  
round.

**C** **Em** **C**  
That our friendship will always re-main

**Am** **C** **G**  
For how can you tell when we say our fare-wells

**C** **G** **D**  
When will we all meet a-gain?
