This land is your land, and this land is my land

From California, to the New York Island

From the Redwood Forest, to the Gulf stream waters,

I saw below me a golden valley

This land was made for you and me

And that sign said "no-oh tres-a-passin'"
But on the other side it didn't say nothin!
Now that side was made for you and me!

Near the relief office - I see my people

Another stream had joined the Big Muddy

"Sound of Silence," by Simon & Garfunkel

Written by Paul Simon.

[Verse 1]

Em Hello darkness, my old friend,
D
I've come to talk with you again,
Em
Because a vision softly creeping,
C G
Left its seeds while I was sleeping,
C G
And the vision that was planted in my brain
Em G
Still remains
D Em
Within the sound of silence.

[Verse 2]

Em In restless dreams I walked alone
D
Narrow streets of cobblestone,
Em
'neath the halo of a street lamp,
C G
I turned my collar to the cold and damp
C G
When my eyes were stabbed by the flash of a neon light
G
That split the night
Em G
And touched the sound of silence.
D Em

[Verse 3]

Em And in the naked light I saw
D

Em

Ten thousand people, maybe more.

C G

People talking without speaking,

C G

People hearing without listening,

C G

People writing songs that voices never share

Em G

And no one dare

D Em

Disturb the sound of silence.

[Verse 4]

D

Fools said I, you do not know

Em

Silence like a cancer grows.

C G

Hear my words that I might teach you,

C G

Take my arms that I might reach you.

C G Em

But my words like silent raindrops fell,

G D Em

And echoed in the wells of silence

[Verse 5]

D

And the people bowed and prayed

Em

To the neon god they made.

C G

And the sign flashed out its warning,

C G

In the words that it was forming.

C

And the sign said, the words of the prophets

G

Are written on the subway walls

Em

And tenement halls

G D Em/

And whisper'd in the sounds of silence.

We are watching this world from our living rooms

We better learn to get along not just to get our way

[Intro?]

[Verse 1]

Well, there ain't no future in stocks and bonds. I heard it on the news today
There ain't no future in credit swaps, or banks or the USA
I wouldn't bet heavy on oil and gas, the Dow or the S & P
But I believe in the future, honey, 'cause the future is you and me

[Chorus]

The future is you (the future is you) and the future is me (future is me)
And all of our friends, maybe even some of our enemies

[Verse 2]

Well, there ain't no market for war and plunder. We've done had all we need
There ain't no new world to discover, no Manifest Desti-ny
There ain't no future in money, so there ain't no point in greed
But I believe in the future, honey, 'cause the future is you and me

[Chorus]

The future is you (the future is you) and the future is me (future is me)
And all of our friends, maybe even some of our enemies
And we know what to do (know what to do), though we don't know when it'll be
I believe in the future honey, 'cause the future is you and me

(Continues on next page)

[Verse 3]

Well, the rich are in their bunkers, and the cops are in their tanks
The grifters run the government and the gamblers run the banks
But we got something they don't have, from the river right to the sea
They don't own the future, honey, 'cause the future is you and me (that's right!)

[Outro]

The future is you and me
The future is you and me!

Let the Circle Be Wide

By Tommy Sands with his daughter Moya and his son Fionán on their album *Let the Circle be Wide*.

[Chorus]

G **D** **G**
Let the circle be wide 'round the fireside
C **Am** **G**
And we'll soon make room for you

Let your heart have no fear, there are no strangers here,
G **D7** **G**
Just friends that you never knew

[Verse 1]

G **D** **C** **G**
We will travel a-long on the wings of a song
C **Em** **C**
With a mind that is open and free
Am **C** **G**
If we close our eyes to the other side
C **G** **D**
We're just half of what we could be

[Chorus]

G **D** **G**
Let the circle be wide 'round the fireside
C **Am** **G**
And we'll soon make room for you
C **Am** **G** **Em**
Let your heart have no fear, there are no strangers here,
G **D7** **G**
Just friends that you never knew

[Verse 2]

Shake the hand of the man from the far distant land
Meet him and treat him well
And the young girl so fair with the wind in her hair,
She's got a story to tell

[Chorus]

Let the circle be wide 'round the fireside
And we'll soon make room for you
Let your heart have no fear, there are no strangers here,
Just friends that you never knew

[Verse 3]

There are songs to be sung, there are rafters to be rung,
There is reason to rosin your bow.
There are stories of old and new ones to be told
To carry a-way when you go.

[Chorus]

Let the circle be wide 'round the fireside
And we'll soon make room for you
Let your heart have no fear, there are no strangers here,
